Workshops

WORKSHOP A

"The Elephant in the Room"

Stewardship and Asking for Money

Jim Kelley will offer strategies and best approaches in this session on the often difficult subject of asking the people of our faith communities for money — perhaps the most sensitive element of the "three-legged stool" of seeking time, talent and treasure. A must for parish leaders.

WORKSHOP B

"Stewardship 101"

Building with the Right Tools

Representatives of diocesan parishes on the Stewardship journey will offer advice on such tools as the Stewardship newsletter, using the right messaging, the pros and cons of hiring a consultant, organizing the Stewardship Fair and the crucial roles and responsibilities of a Stewardship Committee.
